A former employee named Chris Misner wrote a blog post detailing how her job at Roblox was "ruining her life". The blog post, which was posted on June 26, 2021, claimed that her bosses were dismissive of her complaints about discrimination at work. After she met with human resources and brought up issues regarding harassment and gender discrimination in the workplace, she said that she was fired for unknown reasons.

Some people just find it hard to see how many Robux they will actually make from their personal game development because the process is difficult and lengthy that the estimated amount of time it takes just for 1 point can be up to 6 months.

In August 2021, a former employee posted a blog post detailing the company's "toxic" work culture and poor working conditions. The employee claimed that she was fired after speaking out about these issues and later filed a wrongful termination lawsuit against the company as well as several co-workers associated with her firing. The suit, which for the most part was dismissed, claimed that former CEO David Baszucki played an integral role in her firing as he forced the team to "ignore basic standards of professionalism". It also cited him for saying that "female workers in [his] office and in the tech industry were 'annoying' and should not serve in a high-ranking position."

Roblox has been criticized for allowing children to have weapons in their games and for hosting violent games with weapons such as guns and knives. In 2021, the company announced that they would be implementing an age verification system for their games. As a result, on September 19, 2021, Roblox was one of the first services to implement this new feature.

In December 2021, a lawsuit was filed against Roblox for copyright infringement, in which ROBLOX is accused of copying the entire codebase and game assets of "Infinity: The Quest to the End of the Universe". A cease and desist was also filed against ROBLOX in September 2021 by a head developer from the website Games Done Quick for using their copyrighted content without permission.

There are two kinds of issues with Roblox development. One is syntax issues which deal with how the code works and how to make it function correctly. The other one deals with data issues which involve working with saved variables in games. Since users can change data, they are prone to having issues in this area.

All developers can have a Builder's Club account. However, some games require payment in order to purchase the Builder's Club membership itself, or for Builders who want more than one account per Builder's Club.

Rated 3 out of 5 by Anonymous from not good I have never played roblox before, but it's now my 3rd or 4th time playing and each time i load it, i get an error to say "login failed - 504". Rated 1 out of 5 by Anonymous from trash My user account got suspended for some reason. I didn't even know what roblox was until i got a message telling me that my account was suspended. That's it! Rated 2 out of 5 by Anonymous from To late Sorry I do not recommend getting this app. I only got it because I thought it would be fun to build a school and have students move in and learning the right skills. But that's not what this app is about.
